Course/ Section: BSCPE 4-1

I. Direction: Narrative analysis must be answered with a minimum of one page in each given question.

Guide Questions:

1. What is the essence of visual arts?

To express feelings, emotions, and creativeness rumbling to the person's head and shows to the other people on how they like or fell about the certain situation or experience.

2. What makes you feel like an artist? Think of any kind of activity and take two pictures of it. One for a solo presentation and the other one is a selfie picture with your presentation.

3. Why did you choose that kind of creativity? What makes it art for you?

I chose this kind of art because I can express how I appreciate every person and objects taking care of it. As the example above, the I appreciate how clean and well maintained the rare car and manage to run like normal into the event venue.
